## February 2017 Walnut Creek Elementary Newsletter

"They don't care how much you know, till they know how much you care."

I've heard this quote mentioned many times, by various people. The most impactful time I heard this quote mentioned was while I was attending a football clinic. Marvin Lewis (head coach of Cincinnati Bengals) used this to answer...how you turned the Bengals franchise from perennial losers to consistent winners.

This concept applies much further than the football field. It's a great guide for parents. It's also a principle motivator for our teachers at Walnut Creek.

You are always welcome to stop by our school and watch this in action. Yea...it's hard not to show off what we have here. Anytime you get a chance stop in and have lunch with your child. You will see what I'm talking about.

### The "Three Rules" of Walnut Creek Elementary

1. Do Your Best!
2. Do What's Right!
3. Treat Others How They Would Want To Be Treated!

### Did You Know?

If you were following from last month, the 1951 Walnut Creek Cardinals were making their march through the Class B State Basketball Tournament. Last month we left off with them matching up with Belmont with a District Championship on the line. A victory would earn them the trip to the Regionals at Kent.

The Cardinals earned that trip by knocking off Belmont 83-59. They opened up a close 49-42 game by outscoring Belmont 34-17 in the 4<sup>th</sup> quarter. They connected on 31 of 87 shots from the field.

Next up for the 1951 Cardinals will be a matchup with 19-6 Orange. This will be the first game of the Kent Class B State Regionals.

Congratulations to the "hard hat" winners for the month of January. These students were acknowledged at the February Cardinal Character Assembly. They were treated to a trip to Der Dutchman for the breakfast buffet.
