## November 2016 Walnut Creek Elementary Newsletter

"The factory that produces the most important product is the home."

This is what it's all about at Walnut Creek Elementary. Our family extends way beyond the walls of our school here on Old Pump Road. It reaches to each and every home that has students here.

It is inspiring to witness the support our school receives from you the parents. Thank you for instilling the values in your children that you hold strongly in your hearts. We witness the evidence every day.

Darrell Haven, Principal

### After School Pick Up:

Parents please call the office as early as possible if there are any changes in your child's afterschool transportation. The end of the day gets pretty busy at Walnut Creek.
