DISTRICT OVERVIEW

Welcome to East Holmes Local Schools! You have just accepted a new position and we hope that it will be a rewarding experience for you, your family, our students and our community. We realize that starting a new career can at times be a little challenging. As a new employee, it is only natural for you to have questions concerning your position and how you can most positively impact your environment. This handbook addresses questions frequently asked concerning the policies and practices of the district. If additional questions or concerns arise, please discuss them with your building administrator or feel free to call the East Holmes Central Office at (330) 893-2610.

All new employees are required to attend an orientation meeting prior to the beginning of the school year. Items to be covered at that time are: Benefits, payroll procedures, purchasing procedures, tuition reimbursement, employee handbook, negotiated agreement, room inventory, security ID badge training, safety and violence training, resident educator program, LPDC information and basics of Progress Book use.

THE HANDBOOK AND ITS PURPOSE

This handbook explains our personnel practices and outlines the benefits available to you as an employee of East Holmes Local Schools. As time goes on, changes or additions to this handbook might become necessary. In these instances, you will be made aware of the changes and they will be forwarded to you for inclusion in your handbook. The East Holmes Employee Handbook is designed to be a brief overview of district policies and guidelines. More detailed information is available in the Negotiated Agreement.

Many of the forms referenced in this document are available on the District's website at www.eastholmes.org. Click on "Staff Links", then "Staff Forms". You may also contact the Central office 330-893-2610.

DISTRICT HISTORY

The East Holmes School District was formed on July 9, 1956. This was achieved by consolidating Berlin and Walnut Creek Schools. Paint Local (Winesburg) officially became a part on August 22, 1956. Hiland High School opened for instruction on September 8, 1958.

The East Holmes District consists of eight (8) buildings. They are Berlin Elementary, Chestnut Ridge Elementary, Flat Ridge Elementary, Hiland High & Middle School, Mt. Hope Elementary, Walnut Creek Elementary, Winesburg Elementary and Wise Elementary.

The Board of Education regularly meets on the third Tuesday of each month at 7:30 a.m. at the Central Office.

MISSION/VISION STATEMENT

The mission of our school district is to “Inspire excellence to prepare students in becoming productive and responsible citizens through a partnership of exceptional leadership, dedicated staff and a supportive community”. Our vision: Inspire. Prepare. Challenge.

BELIEF STATEMENTS

1. All students can learn.
2. A strong interaction among the family, school and community supports student learning.
3. Students can learn best in a safe and caring environment.
4. All students can become productive and responsible citizens.
5. Schools have a responsibility to teach skills needed to function in our changing and diverse society.

GOALS

1. To meet or exceed student growth targets for all student subgroups.
2. To obtain all building level goals related to improving A-F report cards annually.
3. To assure cultural and community values are respected and promoted in our schools.
4. To evaluate and analyze data sources to set obtainable and measurable goals that promote improvement and increased student growth.
5. To promote our schools and programs to the community through communications, participation in events and actions.

NON-DISCRIMINATION & EQUAL EMPLOYMENT OPPORTUNITY

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, religion, military status, ancestry, genetic information (collectively, “Protected Classes”), or any other legally protected category, in its programs and activities, including employment opportunities.

GENERAL RESPONSIBILITIES

Teachers are due in the building thirty minutes before the time appointed for the beginning of school. The length of a teacher day for all teachers is seven (7) hours and thirty (30) minutes.

Staff members set an example in dress and grooming for students to follow. A staff member enlarges the importance of his/her task, presents an image of dignity, and encourages respect for authority with appropriate dress and grooming. The Board of Education has set in Board Policy the following guidelines: all staff members shall, when assigned to district duty: (a) be physically clean, neat and well groomed; (b) dress in a manner reflecting their professional assignment; (c) dress in a fashion that is commonly accepted in this community; (d) dress in a manner that does not cause damage to district property; and (e) be groomed in such a way that their hair style or dress does not disrupt the educational process nor cause a health or safety hazard.

CRISIS MANAGEMENT PLAN

Every building has access to the East Holmes Emergency Operations Plan. A crisis can impact a single building or the entire district, depending on the nature of the crisis. The most important consideration in dealing with a crisis is the health, safety and welfare of the students and staff, and prompt notification of parents. It is the responsibility of every employee to know proper procedure in the event of a crisis.

CHANGE OF ADDRESS/TELEPHONE NUMBER

It is the employee's responsibility to notify the East Holmes Central Office of any changes in address, telephone number, etc. during the course of the school year. An Employee should also submit these changes through the Employee Access Center (EAC). An annual employee directory is issued electronically in September with employee information listed.

PERSONNEL RECORDS

All personnel records are maintained in accordance with the provisions of The Privacy Act of the Ohio Revised Code, Chapter 1347. At the same time, however, most items of information in personnel files constitute "public records" within the meaning of Ohio Revised Code Section 149.43 and are required to be made available to the public upon request. "Public Records" do not include medical records, records pertaining to physical or psychiatric examination, social security numbers, adoption, probation and parole proceedings, infrastructure records, security records, trial preparation records, records the release of which is prohibited by State or Federal law, and any other exceptions set forth in the Ohio Revised Code, section 149.43.

You have the right, upon request, to review the contents of your personnel file during business hours and to receive copies of any documents contained in the file. There may be a nominal charge for the copies.

VACANCIES & TRANSFERS

A list of all newly created or vacant teaching, non-teaching, administrative and supplemental positions will be posted and communicated to all employees by sending a general e-mail to all users for at least five (5) work days. All employees shall apply for the posted positions within five (5) work days of the posting. The posting shall include the position and building.

The district will send an Intent form to all district staff to request information related to interests, intent and potential changes in compensation and benefits. Individuals expressing an interest in a change of assignments, will be contacted by the district administration prior to the filling of a vacancy in the area of expressed interest for the next school year.

CONTRACTS

CERTIFIED (Teachers)

Teaching contracts are of two types, limited contracts and continuing contracts. Contracts due for renewal are given consideration at a regular or special Board of Education meeting on or before June 1st.

Limited contracts are typically offered in the following sequence:

First contract – 1 year	Fourth contract – 3 year
Second contract – 1 year	Fifth contract – 3 year or Continuing
Third contract – 2 year	

Eligibility for Continuing Contract status is based on both the type of teaching license held and the length of teaching service within our District. The licensure requirement is met if (a) a teacher holds a professional, permanent, or life certificate or (b) a teacher holds a five-year license plus either of the following: (1) if a master's degree was held at the time of initially receiving a certificate or license, six semester hours or graduate coursework in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate of license; or (2) if no master's degree was held at the time of initially receiving a certificate or license, thirty semester hours of coursework in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate or license. The length of teaching service requirement is met if a teacher has taught within our District for at least three out of the last five years. This teaching service requirement is modified, however, for teachers who, prior to their employment within our District, had attained continuing contract status in some other district. For these teachers, continuing contract eligibility begins after only two years of service within our district, and may begin at some sooner date, if the Superintendent so recommends.

If a teacher becomes eligible for a continuing contract during the life of one of the multi-year limited contracts above, the teacher may request to be released from said contract with the understanding that a continuing contract will be issued to him/her by the Board of Education. The Board of Education, however, may request that the teacher complete the multi-year limited contract before being considered for continuing status. It is the teacher's responsibility to give the Superintendent written notification of their desire to be considered for a continuing contract before April 15th.

CLASSIFIED (Non-Teaching)

Limited contracts are typically offered in the following sequence (effective 11/01/2018):

First contract – 1 year	Fourth contract – 2 year contract
Second contract – 2 year	Fifth contract - Continuing
Third contract – 2 year	

SUPPLEMENTAL

Supplemental contracts are issued to teachers who receive additional compensation for the performance of duties, which are in addition to the teacher's regular teaching duties. The Board of Education also employs qualified non-licensed persons to fill these positions. Supplemental positions include but are not limited to athletic coaches or advisors of

extra-curricular clubs and activities. Supplemental positions along with salaries can be found in the current negotiated agreement with the East Holmes Teachers' Association.

All supplemental contracts are for a one-year duration and automatically expire at the end of each school year. No supplemental contract will be automatically renewed.

If you accept a supplemental position, be sure that you receive a formal contract. If you do not, it means that the Board of Education has not formally approved hiring you for the position and payment of your stipend cannot be made.

Payment will be made upon completion of duties and when all uniforms and equipment have been turned in. The building principal will then approve the supplemental contract to be paid and will notify the Treasurer's Office.

All coaches, paid or volunteer, shall meet the standards for the permit.

A completed report from both the State Bureau of Criminal Identification and Investigation (BCI) and the Federal Bureau of Investigation (FBI) are required.

The Board requires that all current employees have an FBI background check done every five (5) years. The cost is as follows:

The handbook addresses situations dealing with students and student behavior, building responsibilities, transportation of students, and finances. The District Treasurer handles the financial procedures of the student activities.

BUS TRIP REQUESTS

All student field trip or athletic trip bus requests are submitted on a Field Trip Request Form available from the Transportation Office. The form is completed by the teacher/coach requesting the trip and signed by the Building Principal/Athletic Director and the Superintendent. The form is then submitted to the Transportation Office for scheduling of the trip. Only van-certified staff are allowed to drive vans. The Transportation Office will assign all drivers.

The Board of Education annually approves appropriations for the costs involved with transporting students on field/athletic trips. Check with your Building Principal to determine if there will be a bus usage and/or bus driver hourly charge involved with any requested trip.

PURCHASING

Requisition and Approval Process:

Employees wanting to make purchases need to complete a Requisition form and submit that to their Building Secretary prior to placing an order. The Requisition will then be entered into the EFP online accounting system and approved by your Building Principal. Once approved, the Superintendent will review for approval, then the Treasurer will check for adequate funds for the final approval.

The forecast reflects three years of prior actual and five years of future projected financial information. The forecast is accompanied by assumptions which give a detailed explanation of the revenues, expenditures, and reserves. Property valuations, levy status, and state funding are also discussed.

The forecast can be accessed on the District website at www.eastholmes.org or at www.ode.state.oh.us; click on “Finance”, then “School District Financial Status”.
